Spectacular Students

Our Central students are very talented and take part in a number of activities within our school. Ethan Martin, our radio broadcaster, has done a wonderful job of sharing all of the events that take place at Whitecourt Central School on XM 105 Radio. To our students who volunteer in the school office, at Tenielle's Hope and to those who travel to the Seniors Villa to spend an afternoon, thank you for a job well done! We are very proud of how you are representing Whitecourt Central School. Thank you for your hard work and dedication.

Accountability Pillar Surveys

It is that time of year again when we ask all of our Grade 4 parents to respond to the Accountability Pillar surveys that have been sent out in the mail by Alberta Education. This year the surveys can be completed on paper or online. One survey will be sent out per household. Our Grade 4 students are also completing the Accountability Pillar Survey. Responses are due back to Alberta Education by March 8, 2019.

Hockey Day @ Central

Go Eagles! We are excited for our Hockey Day at Central coming up on February 13th. Our Grade 5 students are eager to challenge the Whitecourt Wolverines. We would like to thank these young men, who represent Whitecourt, for not only playing against our Grade 5 students but also for the time they put into volunteering at the school with different activities. Good luck to the Wolverines as they quickly approach the play off season. Another huge thank you goes out to Pembina West Co-op Cardlock, who is sponsoring a hot dog for all staff and students prior to the game. Everyone is welcome to come out and cheer on the players at 1 pm.
