2019-2020 Planning

The planning for the 2019-2020 school year has begun! Enrollment drives many of the programs and number of classes that are offered within the school. If you are planning on moving or not attending Central School next year, please let the office know as this will assist us in planning. New registrations are currently being accepted at the school office.

Field Trips 2019

Over the next several weeks, important information regarding field trips and other activities will be sent home. Please read the information carefully to ensure that deadlines are met. All outstanding fees, such as the technology fees, must be paid and all school work completed in order for students to participate in these activities.

Scholastic Book Fair

The Scholastic Half Price Book Fair will be held on June 4, 5 and 6, 2019. The book fair will be open to the students during the day. For your shopping convenience, we will also be open from 5:00-8:00 pm on June 5 and 6. Please come and check out the exciting new titles.

Transition Planning

As we head into our last 2 months of school, visits from our next year Grade 3 students will be scheduled, as well as our Grade 5 visit to Percy Baxter. We will keep parents up to date as we get further into the planning process.
