April 1, 2024

We hope everyone had a restful Spring Break! We are excited to welcome students grades 1-5 back on Tuesday, April 2nd! Kindergarten students will join us on Wednesday, April 3rd!

Volunteers

We are very fortunate to have so many incredible volunteers at WCS! If you are looking to help out in your child's class or with the Breakfast Program, please contact your child's teacher or Mrs. Sebo. Thank you for your continued cooperation and support!

2024-2025 Planning

Planning for the 2024-2025 school year has begun!

Enrollment drives much of the decision making for many of the programs offered within the school as well as number of classes that we plan for. **If you are planning on not attending Central School next year, please let the office know as this will assist us in planning. If you require a registration from for a new enrollment, please let your child's teacher know and we will send you home a registration form!**

SPRING HAS SPRUNG

Spring has arrived and with it the muddy playground and puddles. We appreciate that students love to play in the water but it can make for a very uncomfortable afternoon if they get wet. It would be beneficial for students to pack an extra pair of socks and pants to change into if they should get wet/muddy. Students are also encouraged to wear rubber boots and splash pants.

Parking Lot

Our school parking lot acts as a bus loading and unloading zone. It is closed to public traffic from 8:20-9:00 am and from 3:00-4:00 pm. **Please do not enter for child safety.**

Student Safety

- We recognize that sometimes students ask their parents to take a friend home after school. We ask that parents do not do this unless arrangements have been made before the end of the school day. If arrangements have been made for pick up, please notify the school. We want to ensure student safety.
- Thank you for your understanding!

Canniff Corner

Being inquisitive, trying to figure something out, not being afraid to try (and often not succeed) and pushing away the natural desire to give up is really what being resilient is all about. Watch your children play and explore with toys and enjoy their ingenuity as they problem solve.

Thank you to all of our families that supported our Twin Acres Greenhouse fundraiser.
